

3M 8005048

Details

- Winch/SRL mating mounting bracket
- Mates with quick-connect bracket on DBI-SALA® brand winch or SRL
- Zinc plated steel construction
- Simple nut and bolt installation
- Compact design can be left in place indefinitely
- Accommodates most DBI-SALA® brand mechanical devices

Confined space tripod mounting base bolts to 8000000 series tripod leg and mates with mechanical device with quick-connect mounting bracket.

When it comes to confined space entry/rescue, it is essential that equipment operates perfectly and quickly. DBI-SALA® has an extensive line of rescue and retrieval systems with decades of proven field service. Safety engineers and site directors trust DBI-SALA® for the type of high quality, rugged systems that will ensure top performance when it is needed the most. Our aluminum tripods are extremely lightweight and portable, easily set-up by one worker and can be transported from one location to another. Ideal for confined space entry and emergency rescue applications, they can accommodate a variety of winches and fall arrest devices. Our tripods are loaded with features such as locking legs, simple detent pin style adjustment, quick-mount mechanical device bracket, safety chain to prevent movement and safety shoes that incorporate a rubber sole for flat surfaces and spiked edges for slippery surfaces.
