Quick release mounting bracket for Advanced™ upper and lower masts.

We offer a variety of accessory items that will work with you, making your job easier, more productive and safe. Our confined space entry accessories range from lanyards that help keep the victim vertical during rescue, to brackets that allow quick and easy installation of a mechanical device. We also offer various carrying and storage bags providing for easy transport. When it comes to confined space entry/rescue, it is essential that equipment operates perfectly and quickly. DBI-SALA® has an extensive line of rescue and retrieval systems with decades of proven field service. Safety engineers and site directors trust DBI-SALA® for the type of high quality, rugged systems that will ensure top performance when it is needed the most.
